Anubhav Pratishthan Trust [APT] is a non-profit making charitable society (NGO) for promotion of education and welfare activities registered under section 12-A (a) of the Income Tax Act 1961 and the No. AAETA1857DE20164 dated 28-05-2021. Anubhav Pratishthan Trust [APT] came into existing through a very innovative program of the SNDT university Bombay under the graduate volunteer scheme [GVS] initiated in 2009, the university developed a one year program in which graduates from all faculties had to live and work in rural Maharashtra through these new type of education and learning process, which brought the student out of the class room learn this realities of the world, understand the problem of the rural people and initiated the programme for the development of the rural poor. Through this programme, the student developed the collective efforts of people today's the solution of problem. They become good organizers and local organization sprang up.

After the completing their period of learning with GVS, some opted to continue to stay on in the villages and working with the people. The people in the turn indicated the willingness to support the student in kind. Since GVS was working under the set-up of university of Bombay and SNDT university of Bombay was unable to provide support to the student more than a year, it was subsequently decided by the staff and student of GVS to register an independent organization- Anubhav Pratishthan Trust [APT]. APT was registered in 2013, under the Bombay public Trusts Act, 1950.

Anubhav Pratishthan Trust (APT) is formed by the educational, cultural, environmental improvement and Social Workers for the upliftment of the down trodden community, especially for the vulnerable class of the society and those who belong to scheduled castes, scheduled tribes and OBC. Most of the people belonging to the said community are deprived of physical, Education, Economical, and other field, they have not made the desired progress. This Organization has been very prompt in order to find the solutions to the problem raised in the field of education, women and children belonging to weaker and backward class community and has been active in solving major aspects of education and unemployment, economic, social health and all other related problem. Anubhav Pratishthan Trust (APT) has a multidisciplinary team of professionals who on one hand have strong grass root level experience of working on community based development projects; and on the other have insights into designing and facilitating various training modules, farm based and non-farm income generation activities through partnership building. The group members are from various disciplines like Agriculture, women empowerment, Natural Resource Management (NRM), Education, Social activities, Tribal and Livelihood Development, etc.
